Dear WCC Members,

New year, new menu, new Ballroom, new kegerator, new POS system, new accounting system, soon-to-be new Website...I personally want to thank our Board of Directors for providing the framework and change necessary to take a Club with over 100 less Golf Members and still find a way to make all this newness possible. Of course, we asked all of you, our Members, to chip in and help accomplish all of it and you all went above and beyond the expectation, so thank you as well.

We still have a way to go on this new system. Once we complete a few more steps, the servers will begin to build your profiles in the system to provide better service. We will be snapping pictures and noting preferences, allergies and any other special needs you may have. A new Website is currently under construction. When completed, you will be able to check your own account online, pay your Club bill with direct pay and link up to all our events, make reservations, and find all important current Club information.

On the Clubhouse front, we are bringing back the Crazy Tuesday & Homestyle Wednesday specials this month. The Thursday night special will be changing. The new Thursday night special will be labeled "International Thursday's". Chef Jeffery will explore and create dishes from one international region each month and offer a different appetizer and entrée each week...Should be fun! There is also a return of the beloved Wine Dinners this month, so wine lovers, make your reservations for February 23rd. Check out all the flyers inside this newsletter for all the great upcoming events.

Golf is right around the corner!

See you at the Club,
Don
