General Manager Message

Greetings,

This past season was challenging to say the least! COVID was the big news each and every day. Finally there's light at the end of the tunnel and I highly anticipate a great season for all of us here at the Club.

I truly appreciate the membership's patience and understanding during COVID restrictions mandated by our Governor. No question it was an inconvenience especially with reduced Clubhouse hours. The good news is we saved close to \$50,000 this past winter in comparison to our 10 year average. Our records tell us that only 113 members and guests utilized the Club this past winter. Until our member usage in the Clubhouse increases I believe it's only good business sense to keep the hours limited. Our big night for business was Friday where we averaged close to 80 members and guests. Wednesday carry out was well received, Chef Jeff specials are always a big hit!

The COVID restrictions forced us to be very conscientious and frugal with our spending since a big share of our revenue from banquets and outside events was down over 70%. With careful spending and member support, 2020 resulted in one the best years financially in recent history! While this is good news, we're not out the woods by any means; we anticipate our revenue stream will be down again this year while costs will be increasing. Our plan is to remain budget thrifty. Clubhouse hours, golf course accessories, dining menu and other amenities will remain scaled back.

Bobby Ranken our new Golf Professional is off to a great start! He has already implemented some very good strategies that will make your golf experience even better. The Golf Shop has a renewed look thanks to Holly Wheeler, Bill Hofmann, Sam Livengood and the White Tee Group. I think we can expect great things from our golf operation this year.

The golf course staff is extremely busy! They recently took on the task of refurbishing the main bridge. They removed years of rust and applied a special primer paint along with a oil based top coat. They saved the Club approximately \$75,000 from our lowest outside bid! If you get the opportunity please give them a big thank you. There was major root pruning performed this winter throughout the golf course, this agronomy practice should be done about every 5 years. The turf will certainly benefit from this. Finally the big winter project was grinding all the tree debris from the Tree Program. Many of you may have noticed the "Pyramids of Wayneboro" behind the 7th green, approximately 70,000 cubic yards of double grind mulch are ready for sale. Plans are to sell all the mulch to offset the initial grinding fee.

Suzie and the house staff are getting ready for the upcoming season and will help ensure you have an enjoyable experience. Part of our cost cutting this winter required that they multi-task, for example they were responsible for Clubhouse cleaning and many additional duties. The staff were repeatedly asked to adapt to the ever-changing COVID mandates and each time they did so with the utmost professionalism.

Our Administration is shored up by Ronda and as always she was amazing during COVID restrictions! Her expertise was very beneficial securing the Employee Retention Credits that the Government issued. She's also been instrumental bringing in new members the past few weeks.

It's going to be a fantastic year at the Club and we are looking forward to seeing everyone!

Best,
Steve Glossinger
GM/CGCS

WAYNESBORO COUNTRY CLUB

Easter Egg Hunt

Saturday, April 3, 2021
3pm

The Children's Easter Egg Hunt starts at 3pm. The Easter Bunny will be making his appearance to visit with the children and hand out prizes. This event is free of charge, but we do ask that you make reservations. When making reservations, please give the ages of the children.

We are asking members to please help bring Easter Eggs (or candy to fill the eggs we already have here) for the children. We ask that you bring only plastic eggs and fill them with wrapped candy and/or coins or paper money. Please bring your eggs (or candy) to the Club office no later than Friday, April 2, 2021. To make this day fun for the children, we would really appreciate your support.

Please call 717-762-8401, ext 1
for reservations.
